

LIFESTYLE TRANSITIONS:

Retiring to the Good Life

When planning your retirement, you don't have to look any farther than New England. This region offers a variety of retirement communities with a range of amenities and lifestyle choices. Read on to learn about all the exciting opportunities that await you.

NEW HAMPSHIRE

Taylor Community is a nonprofit continuing care retirement community located in the Lakes Region of New Hampshire, with satellite communities in Pembroke, Sandwich, and Wolfeboro.

Our Laconia campus is more than 100 acres of beautifully landscaped grounds with 60 independent-living apartments and 123 cottages. Our friendly and welcoming community is home to

more than 350 residents. Assisted living, respite care, and private room nursing are also available.

Taylor's campuses are pet-friendly and offer lots of great amenities including a warm-water therapy pool, theater, billiards, dining, library, and craft, fitness, and meeting rooms, as well as local transportation, activities, and trips.

At Taylor Community you'll enjoy peace of mind with maintenance-free living, great people, and easy access to all that the Lakes Region of New Hampshire has to offer! **Laconia, Pembroke, Sandwich, and Wolfeboro, NH**

MASSACHUSETTS

Kimball Farms, the only Lifecare Retirement Community in western Massachusetts, offers residents the opportunity to maintain their own unique and independent lifestyle while knowing that their future long-term health care needs will be met. Located on 63 acres in Lenox, Massachusetts, the community consists of

150 independent apartments, 48 traditional assisted living apartments, 26 dementia care apartments, and a 74-bed skilled nursing facility.

Kimball Farms is a full lifecare community that provides a retirement plan that answers the concerns of many retirees today of how to continue to live an interesting and stimulating life during retirement and protect their assets from the ever-increasing costs of long-term health care.

Kimball Farms has a 90% refundable entrance fee and a monthly service fee, which not only pays for amenities such as a daily meal, housekeeping, utilities, wellness clinics, transportation, and activities, but also pays for, and most importantly, both assisted living and long-term care. Another benefit of the lifecare program is the deductibility of a significant portion of the monthly fee from federal income taxes as a prepaid medical expense.

Southgate at Shrewsbury is a uniquely planned and

beautifully designed community allowing ready access to every service one would need, all under one roof. Residents enjoy a wealth of amenities such

as restaurant-style dining, indoor swimming, live theater, candlepin bowling, and convenient services that allow them to live the life they always imagined before they retired, free of house maintenance, housekeeping and yard work.

Most importantly, Southgate is a place where residents can feel secure about their future knowing there is a full continuum of care right on campus. Established in 1989, Southgate is located in the historic town of Shrewsbury, Massachusetts. The community is situated on beautifully landscaped grounds with gardens and walkways and a three-acre park popular for evening band concerts and lobster bakes.
